Pest Control Technician

Description

One of the Tri-State areas leading Pest Management companies is seeking additional pest control technicians for Philadelphia and Pennsylvania routes. Experience preferred but not necessary, we will be happy to train the right candidate. Family Owned and operated for over 48 years. We have never laid off anyone in 48 years, even during Covid19!

As a Pest Control Route Technician, you spend most of your work day taking care of insect problems in customer's homes and businesses. You get to talk to people and have the satisfaction of performing an important service for your customers; what could be better? This is a great job opportunity for any woman or man that would rather be "out and about" all day as opposed to sitting in an office.

Responsibilities

- Service Preparation
- Truck Preparation
- Treatment of home and business
- Review Service Agreement
- Inspect home and property
- Re-Treatments
- Accurate service tickets
- Must have service related field experience (we can also train)
- Ability to utilize mapping applications (GPS)

We are dedicated to:

- Be the most professional pest control firm possible
- Provide our customer with the most progressive service possible
- Treat every customer with courtesy and respect
- Treat our fellow employees with courtesy and respect

Our Values:

- We conduct our business with integrity We believe in excellence, expecting a high level of contribution and achievement from our employees
- We believe in teamwork to achieve our goals
- We believe in training to maintain the most progressive service possible

Qualifications

- Valid Driver's License.
- Good Driving Record.
- Must pass drug screen.
- Must have good work ethics
- Good communication skills.
- Works well independently.
- High School or GED minimum.
- Experience with Customer Service a plus.
